Bio

DJ Bruv is a versatile producer and DJ based in Miami, known for specializing in feel-good, eclectic mixes of E-funk, 2 step UKG, House music, Chill music, original remixes and re-edits, and Afro-beats music. Bruv brings a unique vibe to every set, priding himself on having tracks dug out for the perfect moment to create an unforgettable atmosphere.

With a history of performances since 2017, Bruv has held unofficial residencies at hotspots like Coyo Taco Brickell, Coyo Taco Wynwood, The Corner, and 1-800 Lucky in Miami.

With over a year of working at We Got The Beats record store, his sets have become quite diverse, able to play vinyl-only gigs or more modern style venues comfortably.

Bruv's music has been released on several indie labels, including Fool's Gold Records, Soul Clap Records, and Nightchild Records. Known for his groovy, funky vibe, his sets are perfect for any event, from pool parties to rooftop gatherings and intimate clubs to big venues.
